WHO WE ARE

The Zimplot Group is a leading distributor of globally renowned brands in the Agriculture, Mining and Infrastructure, Logistics and Automotive sectors. We distribute brands such as Develon, Faw, Scania, Good Year, Massey Ferguson, Valtra, Perkins, Monosem, Mealie brand, and CT Bolts. We have been a CAT distributor through our subsidiary Barzem until 30 September 2022.

Zimplot operates through divisions such as Mealie Brand, Farmec, Valmec, and CT Bolts and operates through subsidiaries such as Tren Tyre, Scanlink, Tractive Power Solutions, Manica Road Investments, and Birmingham Investments.

Through Mealie Brand the group manufactures and distributes ox-drawn and small-scale farmer agriculture equipment and with the recent capacitation, produces ground-engaging

equipment and tools to cater to agricultural and mining needs.

The Group has a wealth of experience and skill in managing leading brands as a distributor and provider of aftersales services.

Zimplot's expansive backup infrastructure is purpose-built to house equipment, showrooms, spares, warehousing, workshop facilities, trained technicians, and engineers. Zimplot boasts of a strong balance sheet, making it the right partner for your equipment management solutions.

Zimplot is listed on the Zimbabwe's Victoria Falls Stock Exchange (VFEX) and subscribes to best practices as per VFEX dictates with particular attention to sustainability practices.

OUR JOURNEY

1939

FOUNDED

The Company is founded.

Zimplot started in 1939 as an animal drawn implements manufacturer and has since evolved into one of the largest distributor and aftersales provider of agriculture equipment, mining infrastructure, logistics and automotive in the country, that offers top notch backup support to all those we do business with.

The industrial engineering capacity, together with distributorships of globally renowned brands set Zimplot as a centre of quality and innovative equipment solutions in Zimbabwe and the rest of Africa. Our purpose is engineering performance for our stakeholders.
